Subject: FW: Atlanta venue drop :(

The Chameleon Club in Atlanta is closed. We have two shows scheduled there. One of the shows is in the "first group" of shows - meaning that the flyers that are in market are obsolete. We are in the process of contacting other venues to take the dates - I believe that they will both go to The Celebrity Rock Café. Please let me know what I need to do.

EMI is working on a replacement club for the first date (7/02/99) - I'll let you know asap.

The second date in Atlanta (7/20/99)will be held at the Celebrity Rock Cafe.
